

**Banco Santander, S.A.** (the “Bank” or “Banco Santander”), in compliance with the securities market legislation, hereby communicates the following:

### **OTHER RELEVANT INFORMATION**

#### **Banco Santander share capital reduces by 2.09% following completion of buy-back programme**

Reference is made to our notice of inside information of 19 February 2024 (official registry number 2114) (the “**Buy-back Commencement Communication**”), relating to the buyback programme of own shares approved by the board of directors of Banco Santander (the “**Buy-back Programme**” or the “**Programme**”). The Bank informs that, after the last acquisitions mentioned below, the maximum investment provided for in the Buy-back Programme (i.e. EUR 1,459 million) has been reached, having acquired a total of 331,305,000 own shares, representing approximately 2.09% of the Bank’s share capital. The acquisition of shares under the Buy-back Programme has been communicated on a regular basis, pursuant to the provisions of Articles 2.2 and 2.3 of the Commission Delegated Regulation (EU) No. 2016/1052. As a consequence of the above, the Buy-back Programme has been terminated in accordance with the terms set out when it was announced.

As disclosed in the Buy-back Commencement Communication, the purpose of the Programme was to reduce the Bank’s share capital by redeeming the shares acquired thereunder, which was authorised by the European Central Bank on 7 February 2024 (the “**Capital Reduction**”). The implementation of the Capital Reduction, which was approved at the Bank’s ordinary general shareholders’ meeting held on 22 March 2024 on second call under item 5 B of the agenda, is expected to take place at the meeting of the board of directors of the Bank to be held on 25 June 2024.

As a result of the Capital Reduction, Banco Santander’s share capital will be reduced by EUR 165,652,500 through the cancellation of the aforementioned 331,305,000 own shares, each with a nominal value of EUR 0.50. Consequently, the Bank’s share capital will be set at EUR 7,747,136,786, represented by 15,494,273,572 shares, all of them of the same class and series.

The purpose of the Capital Reduction is the cancellation of the own shares acquired under the Buy-back Programme, contributing to the remuneration of the Bank’s shareholders by increasing the profit per share, which is inherent to the decrease in the number of shares. The Capital Reduction will not entail the return of contributions to shareholders since the Bank is the owner of the shares to be cancelled.

It is expected that a reserve for amortised capital be created with a charge to the share premium reserve for an amount equal to the nominal value of the cancelled shares (i.e. EUR 165,652,500), which may only be used under the same conditions as those required for the reduction of the share capital, pursuant to the provisions of Article 335 c) of the Spanish Companies Law. Consequently, in accordance with the provisions of such Article, the Bank’s creditors will not be afforded the right of objection referred to in Article 334 of the same Law.

For purposes of the provisions of Article 411 of the Spanish Companies Law and in accordance with Additional Provision One of Law 10/2014 of 26 June on the organisation, supervision and solvency of credit institutions, it is hereby stated for the record that, as the Bank is a credit institution and the other requirements set forth in the aforementioned Additional Provision are met, the consent of the bondholder syndicates for the outstanding debenture and bond issues is not required for the implementation of the reduction.

The announcements of the Capital Reduction will be published in the Official Gazette of the Spanish

Commercial Registry and on the Bank's corporate website ([www.santander.com](http://www.santander.com)) in the coming days.

Thereafter, the public deed regarding the corporate resolutions on the Capital Reduction and amendment of the Bank's By-laws will be granted and subsequently registered with the Commercial Registry of Santander. In addition, the delisting of the 331,305,000 cancelled shares from the Spanish and foreign stock exchanges or stock markets on which the Bank's shares are listed, and the cancellation of the book-entry records of the cancelled shares before the competent bodies will both be requested.

#### **Accumulated share capital reduction resulting from the buyback programmes**
